**Forest Lighting Acquires 80% of Super Trend Lighting**

*MLS, Forest Lighting's parent company, strengthens its position in the LED Filament Bulb Sector*

**Atlanta, Georgia. April 18, 2016.** MLS, parent company of Atlanta-based Forest Lighting, announced it has acquired 80% of the outstanding shares of Super Trend Lighting. MLS is among the top ten largest packaged LED manufacturers in the world.

Super Trend Lighting, based in Hong Kong, is among the leading manufacturers of LED filament light bulbs, with over 200 models sold primarily under the Luktek brand. According to its financial statements, Super Trend Lighting's 2015 revenue was RMB 428 million (\$64.2 million), and had total assets of RMB 628 million (\$96.49).

"LED filament bulbs is a fast-growing sector for retail and commercial lighting applications, and we are pleased this acquisition will diversify our LED lamps and luminaire product offering," said Jian Ni, Chief Operating Officer of Forest Lighting. "This acquisition enhances our value to our distributors and other supply chain partners."
