Forest Lighting Now Represented by Phoenix Sales and Marketing

Phoenix Will Represent Forest Lighting LED Products in Maryland, Washington, DC, Northern Virginia

Marietta, GA. April 26, 2018. Forest Lighting, a leader in LED lamps and luminaires, has announced a sales representation agreement with Phoenix Sales and Marketing. Based in Halethorpe, MD, Phoenix focuses on electrical and lighting products for the commercial and industrial markets in DC, Maryland, and northern Virginia.

“Phoenix has earned a superior reputation for lighting product knowledge and service expertise in the mid-Atlantic region,” said Jian Ni, Forest Lighting’s Chief Operating Officer. “So we are very pleased to establish this partnership as our brand continues its growth.”

“We have been following Forest Lighting as it gained its place among leading LED lighting manufacturers,” said Mike Smith, President of Phoenix Sales and Marketing. “Forest Lighting LED products are well-accepted by customers, and I look forward to meeting our mutual growth goals.”

About Forest Lighting (www.forestlighting.com)

Forest Lighting of North America, based in Atlanta, Georgia, is the USA subsidiary of MLS Co., Ltd. MLS is among the top ten largest LED manufacturers in the world (Source: IHS Technology) and the largest in China. MLS has experienced 20% annual growth, has 18,000 employees, and annual
